

Test Requirements – Seasonal/ Gift Products

The testing requirements for most seasonal product/ gift lines (Christmas, Easter, Halloween etc) will likely be covered by existing Asda Test Schedules. Supplier should refer to these in the first instance.

For example:

Seasonal toy suppliers should refer to the Toy Test Schedule.

Seasonal candle suppliers should refer to the Home Accessories Test Schedule.

If you are unsure of which test schedule is appropriate for your product area - please contact your assigned Development Technologist at Asda, who will advise you accordingly.
